ENJOY A WONDERFUL SPRING FESTIVAL HOLIDAY

TEDA International School extends its warmest wishes to all community members for a safe and joyful holiday break. For those who will be traveling, please remember to do so safely and take care on the highway and near bodies of water/frozen water. This special time offers a wonderful opportunity to enjoy family moments and create meaningful memories together. While resting and recharging, students are encouraged to find time to keep up with their English language learning. The school also wishes everyone a happy Chinese New Year, filled with joyful celebrations and a positive start to the year ahead. TIS will welcome students back to class on Monday, March 2.

CONGRATULATIONS TOEFL-JUNIOR TEST-TAKERS

Congratulations to all test-takers who achieved an overall score of 785 or higher on the recent TOEFL Junior assessment. This strong level of performance indicates well-developed academic English skills across listening, reading, and language form/meaning. TIS is proud that more than 70% of test-takers met or exceeded this standard, demonstrating solid proficiency appropriate for learners across multiple grade levels. Their dedication and hard work are commendable, and their achievements reflect meaningful progress in English language development. Well done to all our high-achieving students!
